

## Trionic Rain Cover L

### ① Cover the Veloped.

Pull the rain cover over the top of the veloped and all the way down.

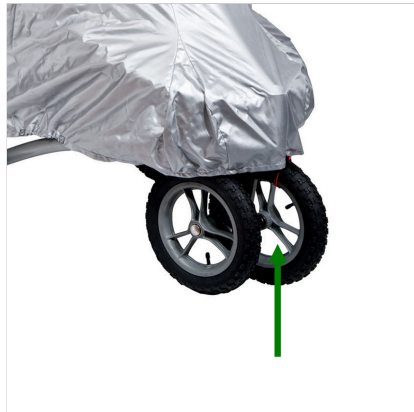

### ② Make sure.

The Trionic-logo shall face forward.

### ③ Fasten the rear hooks.

The rear hooks can be fastened to the push buttons of the rear wheel quick-release axles.

### ④ Fasten the front hook.

Fasten the front hook to a spoke on the front wheel.
